WORK EXPERIENCE:

2009 Freelance

FiXTstore.com | Designed and composited series of video bumpers.

House of Last Things | Composited VFX shot for feature promo.

Bent Image Lab | Composited nationally televised commercial.

Fashionbuddha |

Cut and composited animation and interactive reels for company.

Composited two 10-minute animations for 20 foot, 3-screen video wall.

Composited 8mm film fx & 3D lighting onto 2D animation.

03/08 - 10/08

LAIKA Entertainment (Linux platform, asset/script management in shell)

Compositor / Visual Effects Artists / Roto-Paint Artist

Worked on a VFX team for the stop-motion animated film *Coraline*.

Responsibilities included the digital removal and/or stabilization of various set elements (including but not limited to rigs and puppet seams), and the digital compositing of environmental visual effects including steam and fire.

All work done in Shake.

10/06 - 03/08

Fashionbuddha Studio (Mac platform, asset/project management in OSX)

Compositor / Visual Effects Artist / Editor

Animated video wall for instore display at Umpqua Bank.

Integrated 2D animation into live-action plate.

Created two VFX elements for *Smallville* online game and broadcast.

Responsible for shooting, keying, editing and compositing

thirteen weekly SkyVibe webcasts for Tarot.com.

Shot & pulled Greenscreens, helped develop the workflow for

vectorization of live-action characters, and developed transitions

on two animated spots for Idaho Power Corporation.

Reassembled a 3500x700 animation to fill a 3500x1550 multi-display.

2006 - 2008 Freelance (Mac & PC platform)

Los Angeles - Hired to create a video promo for The Lighter Side using visual effects and motion graphics atop still photographs.

Portland - Hired to composite a motion logo for Loaded Image Entertainment. Animation and VFX work on Will Vinton short: *The Martial Artist*.
